

Cherry Blossoms For You & Me

Words and Music by Tom Landa and Robin Layne

Verse 1

Wake, wake up, wake up, the sun is shining today.
Winter is gone and spring is here, welcome in the new day.

Our city is blooming pink and white, it's such a beautiful sight.
Meet me here under the blossom tree, next to the mountains and the sea.

Chorus

Woah oh oh oh. Woah oh oh.
Cherry Blossoms, for you and me.

Verse 2

Look up, look up, look up, flowers all around us.
So rise up, rise up, rise up. Help me sing this chorus.
Meet me here under the cherry tree,
With friends and family.
Take in the beauty of it's bloom,
A fleeting moment gone too soon.

Chorus

Cherry Blossoms, peaceful and free.
Cherry Blossoms, for you and me.

Verse 3

And our city is blooming pink and white, such a beautiful sight.
Meet me here under the cherry tree, come Celebrate with me.
